Education Cess Funds in the Chitaldrug District.

READ—

Government Order No. 4044-5—Edn. 291-23-7, dated 16th January 1925, sanctioning proposals for the utilisation of the balance of the annual income from Education cess in the Chitaldrug District.

2. Letter No. 1263, dated 22nd January 1925, from the Inspector-General of Education submitting proposals for the utilisation of the unspent balance of accumulated Education Cess Funds in the Chitaldrug District.

ORDER No. E. 5195-8—EDN. 291-23-9, DATED 20TH FEBRUARY 1925.

Out of the accumulated balance of Education cess receipts in the Chitaldrug District, a sum of Rs. 63,397 is reported to be available for expenditure and included in the provision of Rs. 2,27,757 under "26 Education—Miscellaneous (iv) Equipment of Primary and Middle Schools" in the current year's budget. For utilising this amount, the Inspector-General has submitted, with the approval of the District Board of Chitaldrug, a programme of construction of school buildings involving an expenditure of Rs. 60,000. He has further added that, as there is already a programme of building works amounting to Rs. 1,81,824 to be worked out during the current year and as there are only five months remaining for the close of the year, the programme will have to be spread over two years and that if it is sanctioned, every effort will be made to complete the plans and estimates and spend as much of the allotment as possible this year.

2. The programme submitted by the Inspector-General is sanctioned and appended to this order.

3. The Inspector-General is requested to make necessary arrangements for working out the programme as early as possible.

B. RAMASWAMAIYA,
Offg. *Chief Secretary to Government.*
